Spotlight on Mrs. D

Interview with our new KS2 teacher Mrs D who joined us in September, by Addison Stone.

Q: Have you always wanted to be a teacher?

A: Yes, I like working with children and helping them.

Q: What's your favourite sport?

A: Hockey, or any team game.

Q: What's your favourite type of music?

A: Any type that will make people sing and dance.

Q: What's your favourite subject to teach?

A: English, but mainly the writing part.

Q: Who was your favourite teacher when you were in school?

A: My head teacher, and we are family friends.

School News

Buzzard

Over the past few weeks a Buzzard has been spotted flying into school in the mornings and landing on the field. We have named him Buzz, so keep an eye out for him in the future. Remember to always be kind to the wildlife and nature that surrounds us.

Hockey club for KS2

Mrs. D's hockey club (on a Thursday) has been very successful. Some of the children that attend it played a friendly tournament at Westfield Astro. We did very well and won all our games! Alfie is very good as a goalie at practise. Mrs. D and Mrs Chapillon make very good teachers, and everyone's improving week by week.

Early bird club in the mornings has proved popular with children whose parents need to drop off early.

Environmental News

Plastic Pollution

Wildlife and nature is very important. By littering you are damaging wildlife and looking after wildlife is your responsibility. Please make sure that all rubbish goes in the bin!

You can help save the world.

Year 6 Open Days

Some of the year sixes have been visiting Secondary schools in preparation for next year. Some are still undecided about where to go but still have some time to think about it. We are looking forward to our last year of Primary School.
