

General Information

This year Willow class is a mix of Year R and Year 1. We will enjoy activities and learning as a whole class and will also have some lessons in year groups, such as Maths.

We use Tapestry to document and share the children's learning journey through photos and written observations. Class messages will sometimes be posted on here as well. You should receive an email inviting you to join Tapestry. Please let us know if you have not received this.

All children will be provided with a fruit or vegetable snack at break times. If you prefer to bring your own snack we encourage healthy options. Please ensure your child has a named water bottle in school daily.

YR Willow Class Routines

Autumn Term, 2024

Reading

Children will begin Read Write Inc. phonics lessons once they are settled into school life.

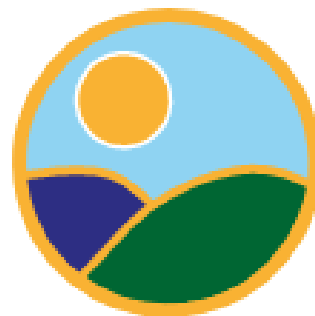

Once phonics begins, we will share home learning videos which accompany our classroom learning and the sounds learnt each week. These videos will be posted onto Tapestry each week.

A phonics information evening will be held during this term. It is an opportunity for you to find out more about the Read Write Inc. programme and how we teach and support children with phonics. More information on this to follow.

PE and Outdoor Learning

PE days will be Wednesday and Friday. Please can children wear their PE kit to school on these days.

We hope to explore and use our outdoor area as much as possible. Please could children bring in a named pair of wellies which they may leave in School,.

Staff

Miss Brown is the class teacher with Mr Kenward and Mrs Bown supporting Willow class. Mr Mitchell will teach the class during Wednesday mornings.
