

English

Our writing will mostly focus around the our Britain at War topic. We will be looking at persuasive posters, writing historical narratives, poetry and reports.

History

Britain at War - Learning about what life was like during wartime.

PE

Both year groups will have football on a Wednesday. Y6 will have netball on Thursday and Y5 Swimming on Fridays (only until Christmas).

PSHE

VIPs - Exploring the relationships we have with important people.

Music

We are learning about a musician of the month, history of music and changes in tempo and pitch.

Computing

We are exploring different computing systems and networks.

Maths

In Maths this term we will be studying place value, addition and subtraction and multiplication and division.

DT/Art

Our DT topic will be on Make Do and Mend and our art topic on Bees, Birds and Butterflies.

Science

Light Theory—We will be learning about how light behaves and travels in straight lines. We will learn about how we see light, colours, shadows, reflections and refraction.

Spanish

Children will be learning about phonics, the date and around the home

Rowan Class Curriculum Map Autumn Term, 2023
