

### General Information

This year we have moved and are enjoying our new classroom next to our Forest School area.

Forest School will take place on Thursdays. Please ensure that your child has wellies in school at all times. We also encourage your child to have water-proofs that they can change easily into in school so we can enjoy outdoor learning in all weathers!

PE days will be Monday and Wednesday. Please can children wear their PE kit to school on these days.

All children will be provided with a fruit or vegetable snack at break times. If you prefer to bring your own snack we encourage healthy options. Please ensure your child has a named water bottle in school daily.

## Acorn Class Routines Autumn Term, 2024

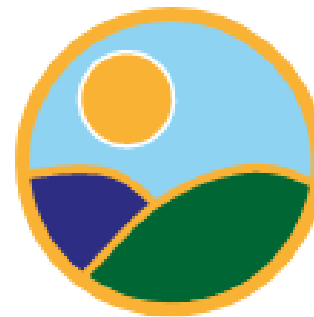

### Reading

Children will continue to develop their reading skills in Read Write Inc. phonics lessons. They will review and learn sounds and apply this to reading activities.

All children will take home a Read Write Inc. storybook which they have spent the week reading in school. Re-reading this book helps children to build on their fluency and confidence. They will also choose a new, unfamiliar book which matches their Read Write Inc. level. This will support children with applying their phonic knowledge to read new words. Phonics groups and levels are assessed each half term.

Please can children bring their reading records to school every Friday.

### Homework

Homework will be closely related to our main Humanities topics. Pupils will receive a home learning book in a few weeks time. There will be one activity to complete each week which will reinforce learning from class. In addition please read 5 times each week at home. Children can also log onto and practice Numbots. Homework should be handed in on Fridays, Reception children receive optional activities which can be uploaded on to Tapestry.

### Staff

Mrs Callaghan is the class teacher with Mrs De La Hey supporting Acorn class. Mr Mitchell will teach the class during Tuesday afternoons.
