We hope you enjoyed a restful Bank Holiday weekend and were able to witness the Coronation of King Charles III and Queen Camilla. What a monumental occasion full of pageantry and display of what can be achieved through careful planning, organisation and teamwork.

A huge well done to runners for representing Yeovil Schools on Wednesday last week in the cross country event doing both our school and region proud.

On Tuesday evening, we welcomed parents to the information session about the school's future in the Bath and Wells multi academy trust. The presentation is included with this update – should you have any questions, please do get in touch.

Finally, well done to everyone that took part in the Great Geography Challenge and congratulations to the award winners. There were many different journeys represented in different ways (and these are now displayed in the school). Thank you to Humanities Leader Mrs Merrett for organising and raising the profile of Geography with pupils.

Have a good week!
