It was wonderful to see our youngest and newest pupils enjoy playing with our brand new early years equipment last week. In the heat, the water play apparatus was a big hit for pupils in our Willow Class!

In assembly this week, I will speak about and reflect on our golden behaviours: being ready, respectful and safe. I am looking forward to hearing the ideas from pupils across the school.

To raise awareness of the challenges faced by those living with a genetic condition, next Monday we are taking part in Jeans for Genes day. Please may your child come to school in jeans, jean style clothing or non-school uniform and bring a small cash donation for charity (e.g. 50p or £1).

A reminder that afterschool clubs start this week. For your information, please see the upcoming dates for the next couple of weeks.

Mr Caswell
