

**Monday 11th November 2024**

**This week**

- Remembrance Day
- Super Chefs
- Wellbeing and SEND support

**Our half term Core Value is Community**

Today our school community will gather at 11am to honour and remember those who have given their lives in armed conflicts. On Sunday, I know that many of you will have taken part in services of Remembrance or watched the commemorations at the Cenotaph. Thank you to George and Henry who represented the school at the village event and according to organisers “read beautifully and laid the wreath with all due reverence.”

This Wednesday we look forward to the visiting Maya Theatre Productions with a musical performance called Súper Chefs (picture above). This provides an opportunity for children to experience live theatre, learn about Latin American culture and discuss important values such as respect, diversity and resilience. Children will also be learning together with friends from across the two schools. A limited number of tickets for parents and younger siblings are available at the community shop in Norton. Families are welcome to join staff and pupils in enjoying the performance if they wish.

Finally, please see the Wellbeing and SEND support update from Mrs Jaggard. This week with information about with a common phenomenon ‘After-School Restraint Collapse’. Have a good week , Mr Caswell
