As a school community we are revising and updating our curriculum vision ahead of the new academic year to make sure we stay relevant for our pupils.

Please help us to make sure that parents are represented in this process by completing the short online survey sent out today. We are also seeking some parents to take part in a curriculum vision setting session. Please let us know if you would be willing to help.

Thank you for your comments and suggestions for the parent forum last week. For feedback, please speak with a Parent Champion - Hailey, Jodie or Sarah.

Should you have any additional feedback, queries or concerns before the next meeting (in the autumn), please email/call the school office or speak with a Parent Champion. If you would like to get involved, please also get in touch!

A polite reminder that we aim to be a nut-free school and do not allow nuts or nut products in school lunch boxes. This means that the following items should not be brought into school:

- Packs of nuts
- Peanut butter sandwiches
- Fruit and cereal bars that contain nuts
- Chocolate bars or sweets that contain nuts
- Sesame seed rolls (children allergic to nuts may also have a severe reaction to sesame)
- Cakes made with nuts

Thank you for your support
