With clear links to their science unit 'living things and habitats', older pupils installed Hedgehog houses in Forest School. Following this theme, our younger pupils have been making spiky creations using natural materials. In nature club, pupils took part in Birdwatch. Whilst numbers may be declining nationally, it seems that bird life in West Chinnock is thriving!

Mrs O'Grady has asked for Y3 & 4 to read 'The Firework Maker's Daughter' at home and Y5 & 6 to read 'Good Night Mr Tom' which link to their writing this term. There are limited copies at school/at local libraries so more information will follow on Google Classroom about how to purchase/access these books. **Wish you all a good week!**
